ISS Facility Services, Inc. announces the acquisition of BGM Industries, Inc.

San Antonio, Texas – ISS Facility Services, Inc., a national provider of facility services announced today that it has signed an agreement to acquire building services provider BGM. The closing is expected to occur on March 31, 2008. BGM does business as BG Service Solutions.

BGM has revenues of \$105 million and provides cleaning services in six states including Colorado, Kansas, Missouri, Minnesota, Florida and Utah. BGM was founded by Ron Baker and Ron Goldsmith and Goldsmith adds, “Ron Baker and I are very pleased to place our company and dedicated employee team with the leading cleaning company in the world.” BGM was started in 1972 and grew over the last 36 years by providing the highest quality services to the market. Sonny Price, current President of BGM will remain with ISS as the President of the Midwest Region and will be responsible for the operations of the region within the ISS corporate structure.

“We are very excited to team up with BGM. I have known both Ron’s for a long while and have always admired the management team they put together and their approach to the business in building a great Company,” remarked Darrell Glover, CEO of ISS Facility Services, Inc., on the deal. “This acquisition is a great fit for ISS and gives us a very strong presence in the Midwestern states. It also gives us a strong presence in the Aviation sector which is important to us,” says Glover. With this acquisition, ISS Facility Services will have over 14,600 employees.

ISS Facility Services, Inc. is the United States company of ISS and offers a wide range of service solutions, from single services to fully Integrated Facility Services (IFS) that combine all of the customers’ service and support functions into one single solution.

About the ISS Group

The ISS Group is one of the world's leading Facility Services Groups, providing integrated service solutions based on the core business areas of Cleaning, Catering, Office Support, Property Services and Security. The ISS Group had annual revenues of almost USD \$13.4 billion in 2007 and employs more than 440,000 people in 50 countries across Europe, Asia, North America, South America and Australia.

About BGM Industries
